

Volunteer and Donor Appreciation Receptions

Volunteers and Donors came to three different receptions on Wednesday, September 25, 2019. We attempted to honor them for their support demonstrated in many different ways. Attendees received some small gifts of appreciation and updates on the progress of the new dormitory. These special guests were also given the opportunity to write some of their favorite scriptures on the doorposts and studs of the new dorm, which was probably the highlight of the day! What a blessing it has been for all the staff to walk around and see all of the promised truths of God!!

"Providence Home has stepped up to meet the needs of men. This isn't just a homeless shelter. Providence Home pours TRUTH into men...truly giving them a fresh start. Without Christ, there is no foundation to setting out for a new beginning," Kim says.

"I realize anything is possible through Christ."

Charles came to Providence Home wanting to "get my life back together." Having been a drug addicted alcoholic, he knew he wanted a different life. Since arriving, Charles has become closer to God, secured a good job, and is pursuing getting his driver's license. Finding fellowship among other residents has been a huge blessing of support and accountability. He is happy and excited about staying off the streets, feeling better physically and emotionally, and being a productive member of society. Charles says, "I realize anything is possible through Christ."

PRAYER POINTS

Your prayers make a difference! Would you please pray for Charles and our other resident men?

I felt empty, worthless, and hopeless.

MY STORY

I lost everything - family, life, and job.

CHARLES

At Providence Home, I am more confident and enthusiastic about life. I have a steady job and am saving money. I've learned I can't do anything without Jesus! ”

FOR OUR RECOVERY MINISTRY PARTNERS AND FRIENDS

FALL 2019

"Unless the LORD builds the house, the builders labor in vain." Psalm 127:1

BY ROB SETTLE, EXECUTIVE DIRECTOR

As the Executive Director of Providence Home, my heart's desire is that the LORD would truly build this "house" of ministry. Notice that the above verse indicates a partnership between the LORD and faithful builders.

One way to make sure the LORD is building this ministry is to be partners with Him in PRAYER.

Would you sincerely pray that we labor in ways that are pleasing to Him, directed by Him, and blessed by Him? Almost 100% of the men who come to live as residents arrive wearied and burdened. Our Lord Jesus clearly desires to give wearied and burdened men true rest (Matt. 11:28). Would you pray for our resident men to come to Jesus and find true rest and victory?

Another way you can help us "build" with the Lord is by supporting our ministry financially.

Providence Home relies on donations from the community. With 27 additional residents arriving soon on our property (bringing our total residents to 63), we would appreciate your financial blessings.

Our goal is that our men rebuild their lives on solid ground and find true rest in Christ. Your prayers and financial gifts for our men and ministry are deeply appreciated to make this possible. Let us labor together with Him!
